

The **ARGENT** home plan by Simplicity

The Argent home packs a lot of personality into 880 square feet. The entry feels warm and welcoming. The highly functional kitchen with generous counter space and cupboard storage overlooks the open dining and living room. A bright main suite offers a substantial closet and an adjoining private bath. The comfortable second bedroom features plenty of closet space. It has a separate laundry room with additional storage possibilities and an optional garage with plenty of room for your gear and equipment. Comfort, beauty, and efficiency come together in this smart-sized home.
