

# The REGAL

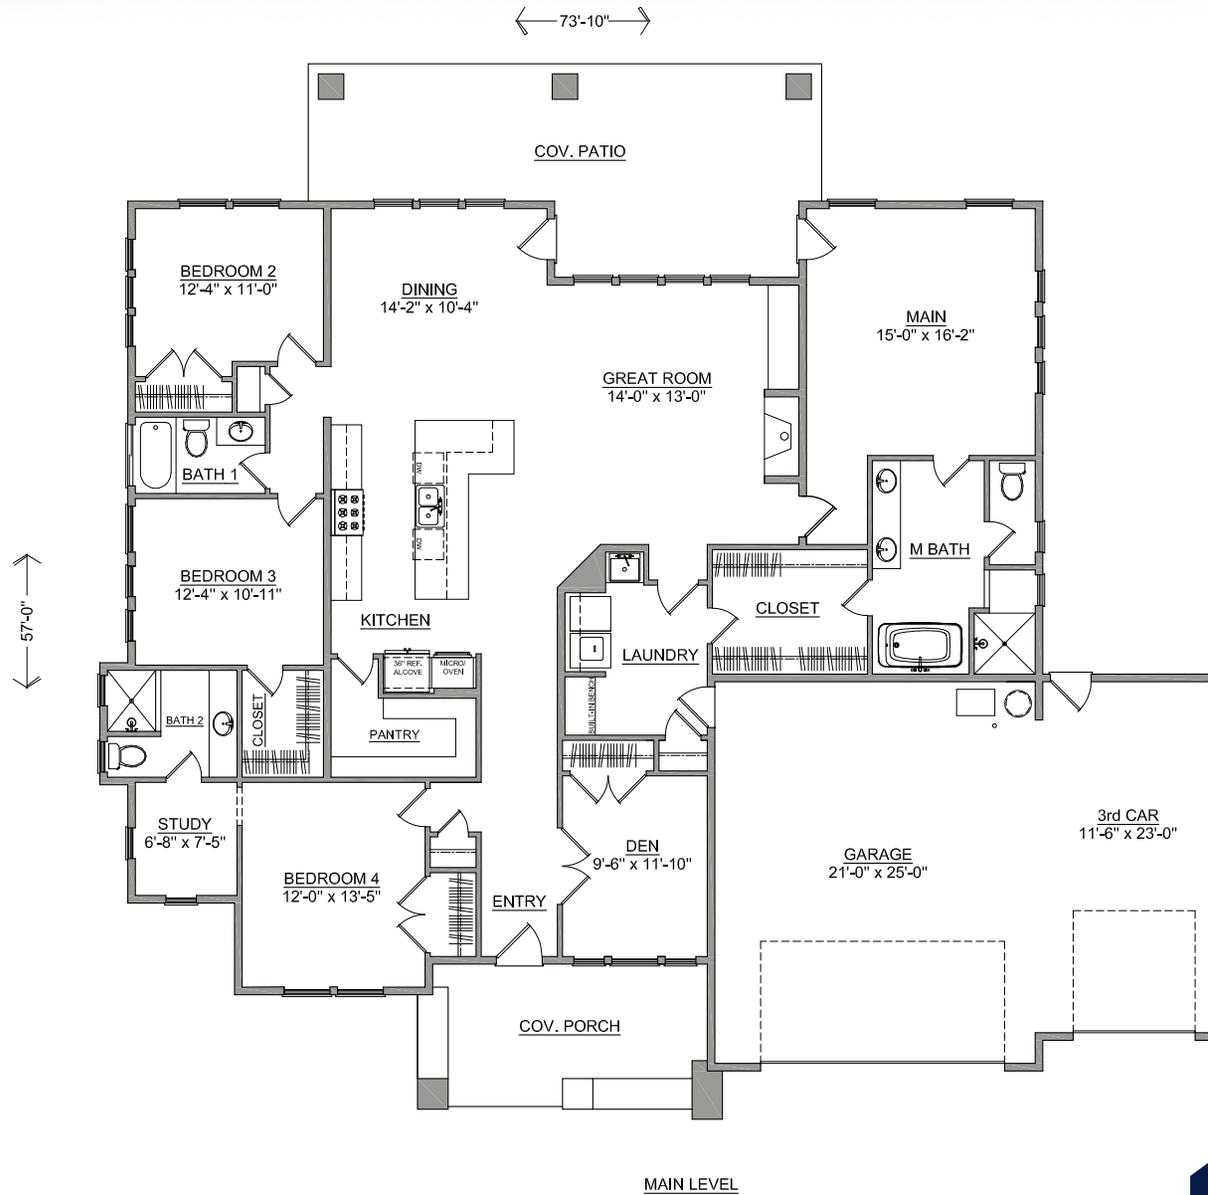

4 Bed + Den | 3 Bath | 2535 Sq. Ft.

The 2535 square foot Regal home plan epitomizes practical luxury. With many unique touches found throughout, this home seamlessly combines beauty and convenience. The interior of the home begins with a cozy den just to the side of the foyer. Down the hall is the ideal guest suite, with a private bathroom and cozy study area. The chef's dream kitchen overlooks the spacious great room, with built-in cabinets surrounding a fireplace. The kitchen features an extra-long L-shaped island and oversized pantry. Two more bedrooms are located off the dining room, with a bathroom and linen closet rounding out this secluded quarter. The deluxe main suite contains an extravagant bathroom with double vanities, a soaking tub and large closet.
