

The **IMPERIAL**

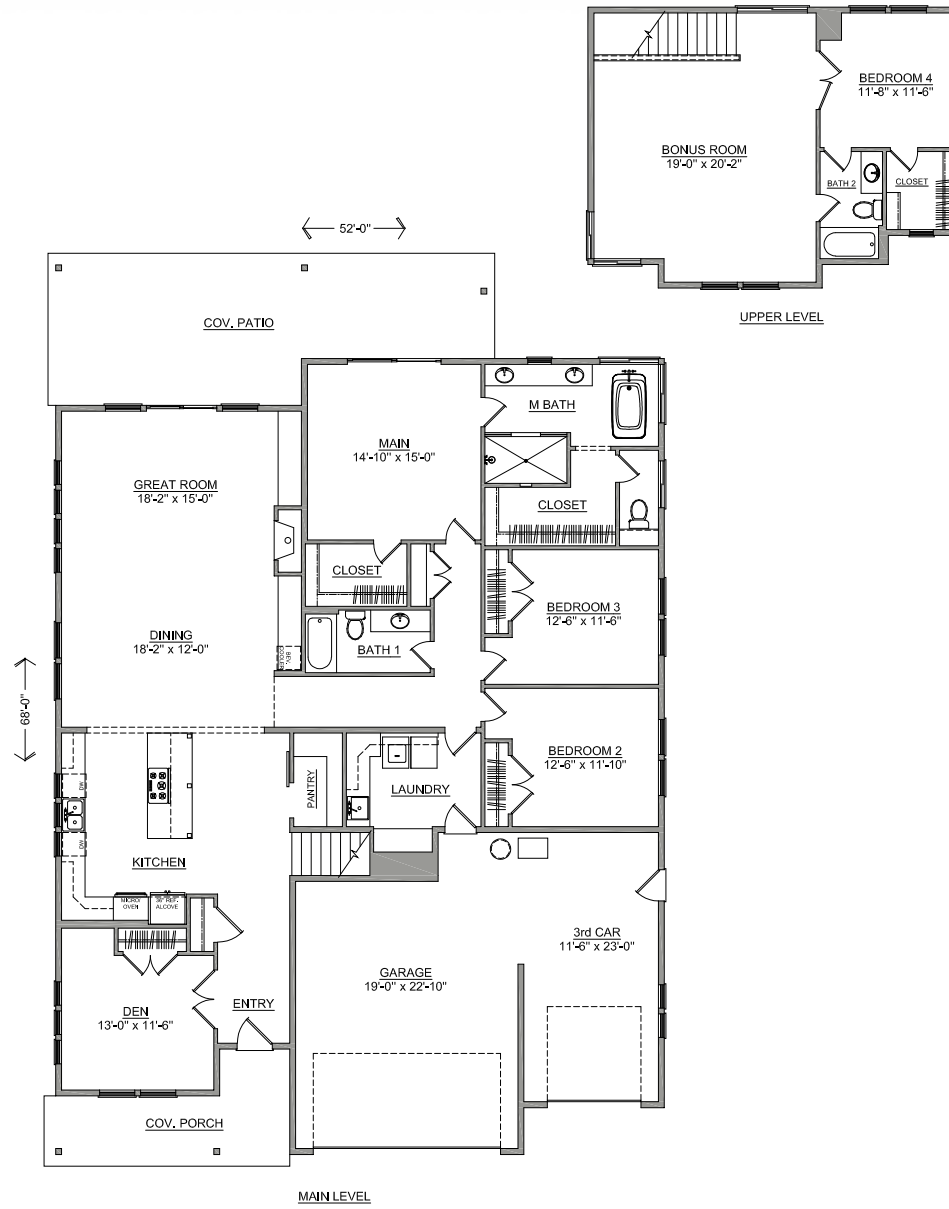

4 Bed + Den + Bonus | 3 Bath | 3200 Sq. Ft.

The stately 3200 square foot Imperial home plan not only has room for everyone and everything, it accomplishes this with a grand style and magnetism. The main entrance opens to a generous foyer and office/den. Down the hall the gourmet kitchen has a substantial island with cooktop, extra-large pantry and abundant storage. The great room features vaulted ceilings, built-ins surrounding a striking fireplace, and incredible natural lighting. Off the dining area is a hallway leading to two bedrooms that share a full bathroom. The main suite has two walk-in closets, soaking tub, double vanity and water closet. The second floor is where a bonus room and junior suite are located, creating the perfect retreat or guest area.
